

DEEP WOODS ESTATE HILLSIDE SÉMILLON SAUVIGNON BLANC 2016

Wine Introduction

The Deep Woods Estate Hillside SSB is an expression of the unique Margaret River wine region and benefits from careful selection of grapes from the coolest areas of the estate.

Tasting Notes

This pale straw wine exhibits lifted nectarine, ripe citrus and white blossom characters. A suggestion of cedar-like oak frames the generous stone fruit characters and complex minerality. The palate is clean and lively with tremendous depth of ripe stone-fruit complexed with texture from the barrel fermentation. Bright citrusy acidity ensures a long and seamless finish providing enhanced structure and length.

Winemaker Vintage Notes

The 2016 vintage was fine and long producing SSB of great texture and underlying power and fruit purity. The Hillside SSB focuses on a selection of some of the coolest sites in the Margaret River region so as to produce great varietal character, while maintaining excellent vibrancy and freshness of acidity.

Winemaker Vinification Notes

Partially fermented in a combination of seasoned and new oak barrels, using only indigenous yeasts with no acid additions, this is a wine that showcases Deep Woods' dedication to site selection and the region.
