
DEEP WOODS ESTATE IVORY SÉMILLON SAUVIGNON BLANC 2015

Wine Introduction

Ivory is a classic blend of Sémillon and Sauvignon Blanc produced from both select growers and Deep Woods Estate grown fruit.

Tasting Notes

A delicate yet lifted nose exhibiting aromas of passionfruit, guava and lime blossom. Intense citrus flavours abound on the palate, with a deftly intertwined lacing of herbaceous crunch adding complexity. A zesty and refreshing acid backbone provides structure and length.

Winemaker Vintage Notes

The 2015 vintage, which commenced very early, was extremely good for aromatic grape varieties with amazing natural acidity present in the juices. This natural acidity enabled the production of wines of excellent varietal purity and freshness.

Winemaker Vinification Notes

Clean, cold ferments were integral in harnessing the brightness and vibrancy of both varieties, while extended lees contact on select parcels provides texture and depth.
