

CANTINA VALLE ISARCO CLASSIC GEWÜRZTRAMINER 2017

Wine Introduction

Originally from Tramin, this grape variety is now cultivated worldwide. In the Valle Isarco, Gewürztraminer is grown on the terraces most exposed to the sun, which gives this wine an incomparable aroma and the characteristics that have made it one of the greatest among white wines.

Tasting Notes

A yellow wine with greenish hues, it is elegant and markedly aromatic, with an unmistakable bouquet of select spices and rose. It is characteristic of Gewürztraminer, and deep with a remarkable texture.

Winemaker Vintage Notes

2017: After the very good 2016 vintage, with its juicy, lively, and multilayered white wines and the promising, structured red wines, Alto Adige's wine industry is also more than satisfied with the 2017 vintage. The losses in terms of quantity of up to 20 percent and more may have left a bad taste in some mouths, but the quality of the wines is consistently good to very good. With the white wines, the vintage presents itself with somewhat leaner but very elegant, fresh and fruity, juicy wines with aromas that are typical to their varieties.

Winemaker Vinification Notes

Delicate processing and crushing are followed by temperature-controlled fermentation and ageing on fine lees in stainless steel tanks with a lack of malolactic fermentation.
