
CANTINA VALLE ISARCO CLASSIC SAUVIGNON BLANC 2017

Wine Introduction

Originally from France, this grape variety was brought to Alto Adige about 100 years ago but only much more recently to the Valle Isarco. The porphyry-rich, warm, frost-protected soils of the lower Valle Isarco with their South-Easterly exposure confer to this wine the characteristics that have made it one of the noblest among white wines.

Tasting Notes

A yellow wine with greenish hues, it has an intense bouquet of nettle and blackcurrant. It is dry and well-rounded, typical of its variety.

Winemaker Vintage Notes

2017: After the very good 2016 vintage, with its juicy, lively, and multilayered white wines and the promising, structured red wines, Alto Adige's wine industry is also more than satisfied with the 2017 vintage. The losses in terms of quantity of up to 20 percent and more may have left a bad taste in some mouths, but the quality of the wines is consistently good to very good. With the white wines, the vintage presents itself with somewhat leaner but very elegant, fresh and fruity, juicy wines with aromas that are typical to their varieties.

Winemaker Vinification Notes

Delicate processing and crushing are followed by temperature-controlled fermentation and ageing on fine lees in stainless steel tanks with a lack of malolactic fermentation.
