

VINI LA DELIZIA PINOT GRIGIO DELLE VENEZIE DOC BLUSH 2017

Wine Introduction

The production area includes a wide surface on the plain of the Friuli Venezia Giulia Region. In this land, well-known for its profound winemaking expertise, the nature of the soil and the particularly mild climate have contributed to create the best conditions for the vine growth. Pinot Grigio evolved from Pinot Nero, it has a coppery colour, and for the most part, vinified in white. Very popular in the Friuli region, it yields elegant and fruity wines.

Tasting Notes

A lovely copper colour with rosy tinges, this wine has a distinctive bouquet, which is fruity and intense. This is mirrored in the full, harmonic palate of the wine. Perfect served fish, eggs, soups and delicate cheeses.

Winemaker Vinification Notes

The grapes are destemmed, macerated with the skins for 6-8 hours, than follows a gentle pressing and the alcoholic fermentation at low temperature. After the stabilisation procedure, the wine is bottled using modern technologies.
