

VINI LA DELIZIA PINOT GRIGIO DELLE VENEZIE DOC 2017

Wine Introduction

The production area includes a wide surface on the plain of the Friuli Venezia Giulia Region. In this land, well-known for its profound winemaking expertise, the nature of the soil and the particularly mild climate have contributed to create the best conditions for the vine growth. Pinot Grigio evolved from Pinot Nero, it has a coppery colour, and for the most part, vinified in white. Very popular in the Friuli region, it yields elegant and fruity wines.

Tasting Notes

This Pinot Grigio is a bright straw yellow, with a distinctive aroma of wild flowers and acacia. It is dry and sapid, with a persistent finish. Fantastic as an aperitif, or paired with fish and shellfish, white meats and soufflés.

Winemaker Vinification Notes

The vinification is the traditional “white method”. The grapes are gently pressed using advanced winemaking techniques and equipments. The fermentation takes place at low temperature. After the stabilisation procedure, the wine is bottled using modern technologies.
