

SIEGEL HANDPICKED RESERVA SAUVIGNON BLANC 2017

Wine Introduction

Our Handpicked Reserva wines are born out of a strong desire to offer the very best expressions of terroir from our El Crucero vineyard, located at an altitude of 360 metres above sea level. These carefully handpicked grapes deliver superb varietal characteristics and exceptionally well-balanced fruit concentration. The manual harvest behind our handpicked Reserva Wines, a stage prior to a second triage, highlights our commitment to delivering uniquely handcrafted wines from Colchagua Valley.

Tasting Notes

This Handpicked Sauvignon Blanc has a pale yellow colour with tones of green. It smells of intense tropical fruits, herbs, and notes of citrus. It presents a beautifully balanced palate with pleasing acidity and a soft, persistent finish.

Winemaker Vinification Notes

Fermentation temperatures are kept between 14-15°C. Once the blend is made, the wine is clarified and stabilised in cool temperatures, and later filtered. The wine then sterilised by filtering it through a membrane to ensure microbiological stability.

Wine Information

Country:	Chile
Region:	Colchagua Valley
