
SIEGEL SINGLE VINEYARD CABERNET SAUVIGNON 2014

Wine Introduction

These wines faithfully reflect the best of our terroir, being unique, distinctive, and with personality. They are made from the best grapes that Siegel Vineyard produces in the Colchagua Valley, with characteristic expressions of red fruit and cassis.

Tasting Notes

An intense violet colour, the bouquet of cassis and is complemented with notes of mature red fruit and chocolate. A round and elegant wine with an excellent final persistence.

Winemaker Vinification Notes

After carefully determining the moment for the harvest, the grapes are harvested by hand and later destemmed and macerated in cold temperatures for 5-6 days. Alcoholic fermentation is between 26-29°C, during which daily pumping over is implemented according to taste. Post-fermentation maceration lasts for 2-3 weeks.
