

SCAIA CORVINA VENETO IGT 2016

Wine Introduction

Scaia Corvina is made from 100% Corvina grapes, and as with all the wines from the Scaia line it is characterised by a modern style. It pairs well with all Italian foods but particularly well with foods from the Veneto and northern Italian tradition.

Tasting Notes

Scaia Corvina is ruby red with purple reflections. On the nose there are floral aromas of red roses and pansies combined with the fruity aromas of cherries, sour cherries, plums, greengages, woodland berries, redcurrants, blackcurrants, and raspberries. On the palate the flavour is well-balanced, tangy, and fresh. Scaia Corvina is intense and with a good body despite its youthful lightness.
