

SCARPA BRIC DU NOTA NEBBIOLO D'ALBA DOC 2015

Wine Introduction

The grapes come from Roero, a place known for its sandy soils and unmatched elegance and finesse. This area brings out remarkable results in Nebbiolo grapes, thanks to the fantastic diurnal range.

Tasting Notes

Light red with rose and delicate flower notes on the nose, silky tannins and a long persistence. This Nebbiolo d'Alba is surprising for its lightness and readiness for consumption at a young age.

Winemaker Vintage Notes

2015 was the first of three warm vintages, which culminated with the extraordinary warmth of 2017. Thanks to large rainfalls in the previous year, water was abundant, which combined with the heat to enable a marvellous ripening and healthy grapes. The elegance of Nebbiolo is expressed at its best here.

Winemaker Vinification Notes

The must underwent 14 days of skin maceration and fermentation in stainless steel tanks with two pump-overs a day. The wine then aged for 16 months in 50hl wooden barrels and a further 6 months in bottle.

Wine Information

| | |
|-----------------------|----------------------|
| Country: | Italy |
